

Flowers at St Mary's

The flower arrangers are a group of behind-the-scenes volunteers who provide a very visible input to the beauty of the church.

Flowers play a central role in many celebrations; St. Mary's is a popular church for weddings and the flower team delight in adding to these joyous occasions by decorating the church and the outside porch.

We usually use white and cream flowers as these are bridal and look particularly beautiful in our ancient church. However, we are happy to include specific flowers or colours in the arrangements where we can if the couple have a special request.

We offer 3 options:

Option 1

Standard wedding arrangements which include 2 pedestals (one under the pulpit and one in The Lady Chapel), and displays on the 2 ledges of the ancient north porch where the bride, groom and guests enter.

The fee for these 4 arrangements is £150.

Option 2

Standard wedding arrangements (Option 1) with additional arrangements over the North porch. **The fee for this option is an additional £150 bringing the total to £300.**
